

FinQA · 公开表格 / Public table

what is the one-percentage-point increase of effect on total of service and interest cost components as a percentage of the effect on other postretirement benefit obligation?

根据公开财报表格，计算参数上升 1 个百分点时，服务与利息成本变动占其他退休福利义务变动的比例。

ID	Row	Column	Value
r1c1	Effect on total of service and interest cost components	One-Percentage-PointIncrease	7367
r1c2	Effect on total of service and interest cost components	One-Percentage-PointDecrease	-5974
r2c1	Effect on other postretirement benefit obligation	One-Percentage-PointIncrease	72238
r2c2	Effect on other postretirement benefit obligation	One-Percentage-PointDecrease	-60261
