

按步执行输入 / Stepwise execution input

受控演示案例 / Controlled demonstration

合同金额 / Amount	13,113
每日比例 / Daily rate	1%
迟延天数 / Days late	2
金额上限 / Limit	200

任务按登记规则核算金额、应用上限并生成汇总。不同演示条件在运行中改变上限、执行能力、接收方授权，或新增步骤。

The registered operations calculate an amount, apply a limit and summarize the result. A selected controlled event changes a limit, capability, recipient permission or continuation during execution.
